Minutes

Minutes should follow the order of the committee's agenda.

- I.** No further nominations of swimmers to The ISHOF; update current nominees' (Laura Val, Drury Gallagher's) resume
- II.** While the Board of The ISHOF has unanimously voted to include Masters into The Hall, the issue is still in doubt given the new selection process. Sam Freas has created a new committee to present proposals for a separate IMSHOF under new ISHOF Board member Tod Spieker. While a number of USMS members have been involved, our recommendations have not always been followed. We propose **to review the package of proposals from Tod and if we find that it does not reflect the interests of USMS, direct our Board representative, Jack Geoghegan, to notify The ISHOF Board of our non-support of the proposals and state that our continued contribution support of The ISHOF will be revisited by this committee and may be terminated.**
